

# EXCURSION PLAN

Native Animal Rescue  
170 Camboon Road,  
Malaga 6090

- Introduction Presentation-**  
Learn who we are and how we protect our wildlife!
  
- Tour of the NAR facility-**  
Including our Black cockatoo flight path, our waterbirds facility, have a look into one of our examination rooms and our various habitats and aviaries throughout our facility.
  
- Meet and Greet our animals-**  
Get to meet the endangered Black cockatoos, our cute ducklings, Tawney frogmouths and our falcon Harriet. Get to pat and hold our cuddly possums and if you are brave enough meet our Stimsons and Carpet Pythons.
  
- Final presentation-**  
At the end of the excursion learn more about how you can help if you see an injured animal, what to do if you find a baby bird and become a true wildlife protector!
